User Interface

84-key full-size keyboard, embedded numeric keypad, hotkey controls, international language support

12 function, four cursor keys

Multi-gesture touchpad supporting two-finger scroll, pinch, rotate, flip

Dimensions & Weight

11.2" (285.0mm) W x 8.0" (204.0mm) D x 1.0" – 1.1" (25.7mm – 28.0mm) H

3.1 lb. (1.4kg) with six-cell, 5800mAh battery

Size and weight may vary depending on configuration

Power

65-watt AC adapter

Six-cell, 4400mAh lithium ion battery: up to 5.0 hours life depending on configuration and usage

Compliance

Energy Star®
Wi-Fi CERTIFIED™

Security Features

User, administrator and hard drive BIOS passwords
Kensington® lock slot

Limited Warranty*

One-year parts and labor limited warranty* with concurrent International Traveler's Warranty**

*For a free copy of the standard limited warranty end-users should see a reseller where Acer products are sold or write to Acer America Corporation, Warranty Department, P.O. Box 6137, Temple, TX 76503. TFT displays commonly exhibit a small number of discolored dots, so-called "nonconforming pixels." This phenomenon is a limitation of TFT LCD technology, not a product defect and, as such, is not covered by the limited warranty or by the upgrade programs.

**Valid only in countries where Acer has an authorized repair facility. For a list of those countries go to <http://global.acer.com/support/itw.htm>. or call 800-816-2237. Services and response times may vary in countries outside the U.S. and Canada.

Specifications are subject to change without notice.
